EDUCATION

<p>✓MODIFY Degree: Doctor of Philosophy Major: Community College Leadership</p>	<ol style="list-style-type: none"> 1. Replace four EDA courses (designed for K12 administrators) with new courses in order to alter content and reduce student confusion. 2. Permit students to take CCL 8113 (currently required for all programs so some students have already taken it), CCL 8373 (new curriculum course), or CCL 8363 (new activities course). 3. Delete SO 8303 from the program because it is no longer offered by the University. 4. Add EPY 6214 Ed and Psych Statistics, currently a prerequisite, since many students have not had it. 5. Add EDF 9453 Intro to Qualitative Research to give students coursework in qualitative research. 6. Remove the 12-18 hours of career concentration/minor area and 3-6 hours electives, reducing the program to 79 semester hours beyond the Master's degree. Originally, students were not required to have a Master's degree for admission; now students must have the Master's degree and thus have already met this requirement. <p>Effective: Spring 2012</p>
