

## A MEMORANDUM

DATE: March 10, 2016  
TO: Academic Deans Council  
FROM: Dr. Kirk Swortzel  
UCCC Chair  
RE: Change Notice 5

Listed below are curriculum change proposals which have been recommended by the University Committee Courses and Curricula. Under current procedure, members of the Academic Deans Council may question the approval of these proposals at any time prior to 5:00 p.m. on March 23, 2016 by contacting Dr. Kirk Swortzel (5-7837) or the office of the Vice President for Academic Affairs (5-3742). If no questions have been raised, the proposals will be considered approved automatically.

1. Course Proposals

**AGRICULTURE AND LIFE SCIENCES**

<p>Addition      ADS 4772/6772</p>	<p><b>Approved</b></p>	<p><b>ADS 4772/6772 Equine Training and Clinic Development. (2).</b> (Prerequisite: Consent of instructor). Four hours laboratory. Proper training and behavior modification practices to promote confidence in the riding and training of horses. Importance is placed on the student's development of teaching ability to conduct riding clinics.  Method of Instruction: L  Method of Delivery: F  Campus: 1  CIP: 010505  30 Char: Equine Clinic Development  Effective: Spring 2016</p>
<p>Technical Change      AEC 3213</p>	<p><b>Approved</b></p>	<p><b>FROM: AEC 3213 International Trade in Agriculture. (3).</b> (Prerequisites: AEC 2713 or EC 2123 or consent of instructor). Three hours lecture. Examination of the importance of international agricultural trade, the economic basis of trade, and the policies affecting agricultural trade.  <b>TO: AEC 3213 International Trade in Agriculture. (3).</b> (Prerequisites: AEC 2713 or EC 2123 and EC 2113, or consent of instructor). Three hours lecture. Examination of the importance of international agricultural trade, the economic basis of trade, and the policies affecting agricultural trade.  Effective: Spring 2016</p>

<p>Technical Change    HS 3563</p>	<p><b>Approved</b></p>	<p><b>FROM: HS 3563 Visual Merchandising.</b> (3). (Prerequisite: HS 2553 or consent of instructor). Two hours lecture. Two hours laboratory. Principles of windows and interior display, individual and group participation in designing and executing displays for commercial and educational purposes.  <b>TO: HS 3563 Visual Merchandising.</b> (3). (Prerequisite: HS 2593 and HS 3593). Two hours lecture. Two hours laboratory. Principles of window and interior display, individual and group participation in designing and executing displays for commercial and educational purposes.  Effective: Spring 2016</p>
<p>Technical Change    HS 3573</p>	<p><b>Approved</b></p>	<p><b>FROM: HS 3573 Historic Costume.</b> (3). (Prerequisite: Junior standing). Two hours lecture. Two hours laboratory. Survey of costume from prehistoric to modern times with emphasis on social, cultural, political, and technological changes impacting fashion, preservation, documentation, and exhibition of art- ifacts [sic]  <b>TO: HS 3573 Historic Costume.</b> (3). (Prerequisite: HS 2593 and HS 3593). Two hours lecture. Two hours laboratory. Survey of costume from prehistoric to modern times with emphasis on social, cultural, political, and technological changes impacting fashion, preservation, documentation, and exhibition of artifacts.  Effective: Spring 2016</p>

<p>Technical Change    HS 4513</p>	<p><b>Approved</b></p>	<p><b>FROM: HS 4513 Social-Psychological Aspects of Clothing.</b> (Prerequisite: Three hours Sociology or Psychology and junior standing). Three hours lecture. Exploration of the sociological and psychological aspects of wearing apparel; man's response to and use of clothing as an aspect of behavior at different life stages.</p> <p><b>TO: HS 4513 Social-Psychological Aspects of Clothing.</b> (Prerequisite: HS 3573 and three hours Sociology or Psychology and junior standing). Three hours lecture. Exploration of the sociology and psychological aspects of wearing apparel; man's response to and use of clothing as aspect of behavior at different life stages.</p> <p>Effective: Spring 2016</p>
<p>Technical Change    HS 4533</p>	<p><b>Approved</b></p>	<p><b>FROM: HS 4533 Merchandise Planning and Buying. (3).</b> (Prerequisite: HS 3553 and HS 3573). Three hours lecture. Capstone course in planning, buying and managing inventory in a fashion retail environment.</p> <p><b>TO: HS 4533 Merchandise Planning and Buying. (3).</b> (Prerequisite: HS 4583). Three hours lecture. Capstone course in planning, buying and managing inventory in a fashion retail environment.</p> <p>Effective: Spring 2016</p>

Technical Change	HS 4603	Approved	<p><b>FROM: HS 4603 Global Sourcing in the Textile and Apparel Industry. (3).</b> (Prerequisites: HS 2553 or equivalent or consent of instructor). Three hours lecture. Evaluation of global issues facing the textile complex-fiber, textile and apparel industries. Students will learn about international trade and global issues in the textile complex.</p> <p><b>TO: HS 4603 Global Sourcing in the Textile and Apparel Industry. (3).</b> (Prerequisites: HS 2553 and HS 4513 or equivalent or consent of instructor). Three hours lecture. Evaluation of global issues facing the textile complex-fiber, textile and apparel industries. Students will learn about international trade and global issues in the textile complex.</p> <p>Effective: Spring 2016</p>

#### ARTS AND SCIENCES

Addition	EN 4893/6893	Approved	<p><b>EN 4893/6893 American Literature to 1800. (3).</b> (Prerequisite: Completion of English requirements in the student's major). Three hours lecture. Studies of topics in American literature from its beginning to 1800.</p> <p>Method of Instruction: C  Method of Delivery: F  Campus: 1  CIP: 230701  30 Char: American Literature to 1800  Effective: Spring 2016</p>
+Distance	FLG 1123	Approved	<p><b>FLG 1123 Approval to Offer Online Campus 5 for German II.</b></p> <p>Method of Instruction: B  Method of Delivery: F &amp; O  Campus: 1, 2, 5  Effective: Spring 2016</p>

<p>Modification HI 4263/6263 +Distance</p>	<p>Approved</p>	<p><b>FROM: HI 4263/6263 America's Vietnam War. (3).</b> (Prerequisite: Completion of any 1000-level history course). Three hours lecture. Analysis of the U.S. conduct of Viet Nam war including such as: Cold War context, presidential decision-making, military doctrine, domestic opposition, and legacy.  <b>TO: HI 4263/6263 America's Vietnam War. (3).</b> (Prerequisite: Completion of any 1000-level history course). Three hours lecture. Analysis of the U.S. conduct of Vietnam War, such as: Cold War context, presidential decision-making, military doctrine, domestic opposition, and legacy.  Method of Instruction: C  Method of Delivery: F &amp; O  Campus: 1, 2, 5  30 Char: America's Vietnam War  Effective: Spring 2016</p>
------------------------------------------------	-----------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**EDUCATION**

<p>Modification EDE 8313 +Distance</p>	<p>Approved</p>	<p><b>FROM: EDE 8313 Theory Development of Early Childhood Education. (3).</b> Three hours lecture. Seminar-type course in synthesis of methods and techniques applicable to elementary teaching; readings; reports; research (taught spring of even numbered years).  <b>TO: EDE 8313 Theory Development of Early Childhood Education. (3).</b> Three hours lecture. Seminar-type course in synthesis of methods and techniques applicable to elementary teaching; readings; reports; research.  Method of Instruction: C  Method of Delivery: F &amp; O  Campus: 1, 2, 5  Effective: Spring 2016</p>
--------------------------------------------	-----------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

+Distance	EDE 8473	Approved	<b>EDE 8473 Approval to Offer Online Campus 5 for The Elementary Social Studies Curriculum.</b> Method of Instruction: C Method of Delivery: F & O Campus: 1, 2, 5 Effective: Spring 2016	✓
+Distance	EDE 8623	Approved	<b>EDE 8623 Approval to Offer online Campus 5 for Content Area Literacy Instruction.</b> Method of Instruction: C Method of Delivery: F & O Campus: 1, 2, 5 Effective: Spring 2016	✓
+Distance	EDE 8633	Approved	<b>EDE 8633 Approval to Offer online Campus 5 for The Teaching of Writing.</b> Method of Instruction: B Method of Delivery: F & O Campus: 1, 2, 5 Effective: Spring 2016	✓
Modification +Distance	EDE 8713	Approved	<b>FROM: EDE 8713 Educating Young Adults.</b> <b>TO: EDE 8713 Educating Young Adolescents.</b> Method of Instruction: C Method of Delivery: F & O Campus: 1, 2, 5 Effective: Spring 2016	✓

Modification	EPY 8763	Passed Contingent	<p><b>FROM: EPY 8763 Advanced Child Behavior &amp; Cognitive-Behavioral Intervention.</b> (3). (Prerequisite: EPY 8703). Two hours lecture. Two hours practicum. Study of the theory and practice of empirically based interventions. Selections and utilization of intervention strategies in simulated and actual situations. Development of intervention portfolios.</p> <p><b>TO: EPY 8763 Advanced Applied Behavior Analysis.</b> (3). (Prerequisite: EPY 4113/6113, EPY 8253). Three hours lecture. The focus will be the identification, analysis, treatment, and evaluation of behavioral problems presented by children and youth. Emphasis is on these topics as they are applied in a non-school setting.</p> <p>Method of Instruction: C  Method of Delivery: F  Campus: 1  30 Char: Advanced ABA  Effective: Spring 2016</p>
+Distance	RDG 8713	Approved	<p><b>RDG 8713 Approval to Offer online Campus for Teaching Struggling Readers and Writers.</b></p> <p>Method of Instruction: C  Method of Delivery: F &amp; O  Effective: Spring 2016</p>

**ENGINEERING**

<p>Technical Change</p> <p>CSE 4663/6663</p>	<p>Approved</p>	<p><b>FROM: CSE 4663/6663. Human-Computer Interaction. (3).</b> (Prerequisite: Grade of C or better for Computer Science majors in CSE 3813, consent of instructor for non-majors). Three hours lecture. Conceptual models formed by users, aspects of computing systems which affect users, interface design and evaluation, and examples and critiques of specific interfaces.</p> <p><b>TO: CSE 4663/6663. Human-Computer Interaction. (3).</b> (Prerequisite: Junior class standing or consent of instructor). Three hours lecture. Conceptual models formed by users, aspects of computer systems which affect users, interface design and evaluation, and examples and critiques of specific interfaces.</p> <p>Effective: Spring 2016</p>
<p>Addition</p> <p>GE 3813</p>	<p>Approved</p>	<p><b>GE 3813 Challenges in Global Engineering. (3).</b> (Prerequisite: Junior standing in an engineering major or consent of instructor). Three hours lecture. Issues of globalization in the engineering profession are examined. Critical concepts of international engineering projects and their complex interactions are discussed.</p> <p>Method of Instruction: C          Method of Delivery: F          Campus: 1          CIP: 140101          30 Char: Challenges Global Engineering          Effective: Spring 2016</p>
<p>Deletion</p> <p>ME 3533</p>	<p>Approved</p>	<p><b>ME 3533 Thermodynamics.</b>          Effective: Spring 2016</p>

Modification	ME 4111	Approved	<p><b>FROM: ME 4111 Professional Development Seminar. (1).</b> Prepare for professional licensure, introduce life-long learning concepts, expose students to forensic engineering, and develop understanding of the impact of engineering on global societal challenges.</p> <p><b>TO: ME 4111 Professional Development Seminar. (1).</b> (Prerequisite: Senior standing or consent of instructor). One hour lecture. Preparation for career readiness including professional communication, career outcomes, professional/ethical responsibility, and the impact of engineering solutions in global, economic, environmental, and societal contexts.</p> <p>Method of Instruction: C  Method of Delivery: F  Campus: 1 &amp; 2  CIP: 141901  30 Char: Professional Development  Effective: Spring 2016</p>
--------------	---------	----------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**FOREST RESOURCES**

Addition +Distance	FO 4573/6573	Approved	<p><b>FO 4573/6573 Ecology of Managed Forests. (3).</b> (Prerequisite: Graduate standing, upper-level FO undergraduate student, or consent of instructor). Three hours lecture. Examination of the ecological factors that influence the silvicultural practice in North America.</p> <p>Method of Instruction: C  Method of Delivery: F &amp; O  Campus: 1 &amp; 5  CIP: 030506  30 Char: Ecology of Managed Forests  Effective: Spring 2016</p>
-----------------------	--------------	----------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<p>Addition +Distance</p> <p>FO 4663/6663</p>	<p>Approved</p>	<p><b>FO 4663/6663 Consulting Forestry. (3).</b> (Prerequisite: FO major, senior or graduate standing and consent of instructor). Three hours lecture. Review of business, legal, and economic issues integral to applying the science of forestry as a service based enterprise. Method of Instruction: C Method of Delivery: F &amp; O Campus: 1 &amp; 5 CIP: 030501 30 Char: Consulting Forestry Effective: Spring 2016</p>
<p>Addition +Distance</p> <p>FO 4683/6683</p>	<p>Approved</p>	<p><b>FO 4683/6683 Introduction to Urban and Community Forestry. (3).</b> Three hours lecture. Addresses urban forest management issues and opportunities as well as educational extension/outreach program strategies within the urban forest context. Method of Instruction: C Method of Delivery: F &amp; O Campus: 1 &amp; 5 30 Char: Intro Urban Community Forestry Effective: Spring 2016</p>
<p>Addition +Distance</p> <p>FO 8571</p>	<p>Approved</p>	<p><b>FO 8571 Emerging Issues in Forest Ecosystems. (1).</b> (Prerequisite: Graduate standing or consent of instructor). Three hours seminar. Overview of the major biological, ecological, and socio-economic issues facing forest conservation. Method of Instruction: S Method of Delivery: F &amp; O Campus: 1 &amp; 5 CIP: 030501 30 Char: Emerging Issues in Forests Effective: Spring 2016</p>

Addition +Distance	FO 8673	<b>Approved</b>	<b>FO 8673 Planning and Evaluation in Natural Resources Outreach Education.</b> (3). Three hours lecture. Presents methods for needs assessment of forestry extension/outreach education, development of programs to meet client needs, and evaluation of the effectiveness of such programs. Method of Instruction: C Method of Delivery: O Campus: 5 CIP: 030501 30 Char: Prog Plan Eval Nat Res Effective: Spring 2016
Modification	NREC 3213	<b>Approved</b>	<b>FROM: NREC 3213 Environmental Measurements.</b> (3). Two hours lecture. Two hours laboratory. Principles of inventory, sampling and analysis for measurements in environmental assessments. Field exercises provide practice in sampling methods, data collection, instrumentation, and analysis. <b>TO: NREC 3213 Environmental Measurements.</b> (3). Two hours lecture. Three hours laboratory. Principles of inventory, sampling and analysis for measurements in environmental assessments. Field exercises provide practice in sampling methods, data collection, instrumentation, and analysis. Method of Instruction: B Method of Delivery: F Campus: 1 CIP: 030104 30 Char: Environmental Measurements Effective: Spring 2016

2. Program Proposals by college/school:

**ACADEMIC AFFAIRS**

Addition	Degree: Graduate Minor Major: Geospatial and Remote Sensing	<b>Approved</b>	Graduate minor. Approved by Graduate Council.  Effective: Fall 2016
----------	----------------------------------------------------------------------	-----------------	------------------------------------------------------------------------------

**AGRICULTURE AND LIFE SCIENCE**

Addition	Degree: MS Major: Fashion Design and Product Development Concentrations: Merchandising; Design and Product Development	Approved	New degree. Approved by Graduate Council.  Forwarded to Provost and President before submission to IHL
----------	------------------------------------------------------------------------------------------------------------------------------	----------	--------------------------------------------------------------------------------------------------------------

✓  
✓  
Submitted  
3/1/16

**ARTS AND SCIENCES**

Modification	Degree: MS Major: Geosciences Concentrations: Applied Meteorology; Broadcast Meteorology; Environmental Geosciences; Geography; Geology; Geospatial Sciences; Professional Meteorology/Climatology; and Teachers in Geosciences	Approved	See proposal for list of changes. Approved by Graduate Council.  Effective Date: Fall 2016
--------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------	--------------------------------------------------------------------------------------------------

✓  
✓

**BUSINESS**

Modification	Degree: BACC Major: Accounting	Approved	Adds two more communication courses to the list of possible writing communication courses. See proposal for complete list of changes. Effective: Summer 2016
Modification	Degree: BACC-Meridian Major: Accounting	Approved	Begin offering the Bachelor of Accountancy, major in Accounting, at the MSU Meridian campus. Effective: Summer 2016

✓  
✓  
✓  
✓

Modification	Degree: BBA-Meridian Major: Business Concentrations: Accounting, Business Administration, Healthcare Administration, Information Systems, Management, Marketing, Technology Management <u>to:</u> Business Administration, Healthcare Administration	<b>Approved</b>	At the Meridian Campus, modifies the BBA major by deleting the concentrations in Accounting, Information Systems, Management, Marketing, and Technology Management.  Effective: Summer 2016
--------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**EDUCATION**

Modification	Degree: MS Major: Elementary Education Concentration: General Elementary Education, Early Childhood, Middle Level Education	<b>Approved</b>	See proposal for list of changes. Approved by Graduate Council.  Effective: Fall 2016
Motion (oral) to Rescind Program Modification Approved by UCCC Chair on April 14, 2015 CN5 (2014-2015)	Degree: MAT Major: Secondary	<b>Approved</b>	Approved by Graduate Council Effective: Spring 2016

**ENGINEERING**

Modification	Degree: BS Major: Aerospace Engineer	<b>Approved</b>	Update of course numbers for ASE 3233 and ASE 3243. Effective: Summer 2016
Modification	Degree: BS Major: Mechanical Engineering	<b>Approved</b>	Reverts back to the program prior to the program modification change approved in October 2015 due to ABET accreditation issues. However, the ECE course replacement of ECE 3183 with ECE 3413 will be retained from the program modification approved in October 2015. Effective: Spring 2016

Addition	Minor: Global Engineering Leadership	Approved	Effective: Summer 2016
----------	--------------------------------------	----------	------------------------

All of the proposals were approved with the exception of the following:
