changes. The original motion to approve the modifications passed unanimously.

Bumgardner moved, seconded by Wolverton, to removed the modification of MA 1303 from the table. Dr. Michael Pearson, Associate Head of Mathematics and Statistics, explained the prerequisite modifications were needed to insure that students would be better prepared to take MA 1303. After brief discussion, the original motion to approve the modification passed unanimously.

Wolverton moved, seconded by Herring, to adjourn at 2:41 p.m.
