Swortzel announced a workshop concerning syllabi was conducted by the Center for Teaching and Learning; effective with the Spring 2015 semester, all syllabi must contain a Title 9 statement; the UCCC continues to work with Leapfrog on program forms for the on-line submission system; and the General Education meeting will be held Friday, March 20, 2015 at 11:30 a.m.

Swortzel announced that he sent an e-mail notification of the election of the UCCC Chairperson to UCCC members who have voting privileges. According to the UCCC by-laws, a new UCCC Chairperson is elected at the January UCCC meeting. Rigsby nominated Swortzel to serve as chairperson for the 2015-2016 term. Otondo seconded the motion. With no further nominations, Swortzel was elected chairperson for the 2015-2016 term unanimously.

Carr moved to approve the addition and general education designation of HON 3173, Honors Seminar in Fine Arts. Rigsby seconded the motion. Dr. Becky Gardner and Dr. Donna Clevinger appeared in support of the proposal. Committee members were concerned that contact hours were not included in the course outline; there is no information in the proposal about whether the course may be repeated; the method of delivery should be listed as a seminar instead of lecture and seminar; under the target audience section of the proposal, it should be clarified that non-honors students may take this general education course; and the class attendance policy needs to be clarified. Welch moved to pass HON 3173 contingent upon the above concerns being addressed. Otondo seconded the motion. The motion to pass HON 3173 contingent was approved unanimously.

Committee members were concerned the proposal cover sheet does not identify the program as a Master of Art in Teaching-Secondary; there were not enough contact hours for the internships; the proposal for EDS 8886 should be revised to make the course number EDS 8883; on the degree modification proposal, the course titles need to be edited; and for the internships, the contact hours need to be broken down in greater detail and the co-requisites need to be modified. Rigsby moved to pass EDS 8103, EDS 8113, EDS 8153, EDS 8886, EDS 8896 and the Master of Arts in Teaching/Secondary contingent upon the above concerns being addressed. Rigsby seconded the motion. Dr. Devon Brenner appeared in support of the proposal. Committee members were concerned the program proposal referred to a MAT program in the Curriculum, Instruction and Special Education Department, but the MAT program is only offered in the Department of Leadership and Foundations; there is a typographical error in which a failing grade is referred to as an "E" instead of an "F"; for EDX 6173, one topic area needs to break down the contact hours; 8000 level courses should not be entitled introduction courses; the classes should be limited to the Master of Arts in Teaching/Special Education students; and there were not enough contacts hours for the internships. Babski-Reeves moved to pass EDX 6173, EDX 8013, EDX 8023, EDX 8053, EDX 8233, EDX 8243 and the addition of a Master of Arts in Teaching/Special Education contingent upon the above concerns being addressed.
